

TEXAS CUSTOM SOLUTIONS

Texas is a special case for elections, and these products have been custom-designed for Texas' regulations and unique requirements. Solutions may be eligible for multiple HAVA grants including "General HAVA Compliance", "Voter Education and Training", "Accessibility" (if and when the grant reopens), and possibly other areas.

Texas Poll Distance Signs

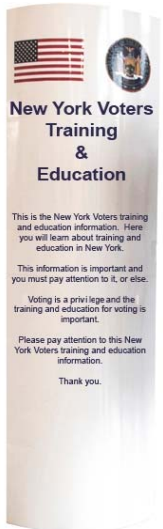

- Cone Cap signs are the easiest, most durable, most universal sign style you can buy! They work on any surface – no more sticking signs into hard ground or taping them to a wall – these work anywhere
- Signs work either with your existing cones, or cones are available
- Signs include the required bilingual Texas Statutory language

CCTXDIST	Texas Poll Distance Marker 1 sided sign	\$29.95
CCTXDIST2	Texas Poll Distance Marker 2 sided sign	\$39.95
28-PVC-L	28 Inch Cones for Cone Cap Signs	\$24.95

Totem Display System for Voter Education

- No more annoying posting of required notices!
- The Totem is a simple "Pop Up" inside display system that is ideal for education and training of voters with the appropriate Texas Language
- Signage is 75" — over 6' tall when expanded and folds flat for easy storage (25" x 16" x 1.5")
- Normal pricing is \$139 for custom content: Available now for \$99 each until September 30, 2010

TOTEMTX Pop Up Display (Customized for Texas)\$99

Training: Disability Awareness Kit

- Pollworker training to "simulate" various disabilities with this innovative kit
- "Role Plays" allow pollworkers to test out different or various scenarios so they are prepared for all voters on election day
- Includes Dyslexia/DD simulation, "Arthritis Gloves", eyewear to allow pollworkers to experience various disabilities, service animal simulation, and reference/training materials
- Purchase extra "experience products" for larger trainings
- This is a "must have." Every county should have at least one for Pollworker Training!

DISTRANKIT	\$249.95
DKITXTRA (supplemental experience products)	\$25.00
