

An Overview of the PakFlatt Franklin 4-Station Voting Booth that is sweeping the nation – the best solution for all Kentucky Counties

**The Pakflatt Franklin
4-Station Booth**

- Kentucky has already purchased a new voting system
- Now you need new voting booths that meet accessibility standards and will complete the transition to a new way of voting in Kentucky in 2012

- This is the PakFlatt Franklin 4-Station Booth
- It is the best booth ever built – for both accessibility and general purpose
- The Franklin is a perfect booth for all Kentucky Counties and is the perfect complement for your new voting system

**The Pakflatt Franklin
4-Station Booth**

- Solves issues for voters with and without disabilities
 - With the 4 station booth all go to same location – not a “separate” disability booth or system
 - Best for ultimate goal of access
- Non-discriminatory
- Preferred by disability advocates
- Consistent with principle of “universal design”

Benefit:
Non-Discriminatory

- Booth is incredibly durable
- Constructed of “Automotive”-grade aluminum
- Booth is so strong it can support 200 lb person standing on shelf
- It can handle the rigors of many elections and storage
- Booths from 20 years ago are still going strong in Europe

Benefit: Durability

- PakFlatt has spent 20 years perfecting this design
- PakFlatt and has refined the product with further upgrades for the United States Market including:
 - Rigid and reinforced writing shelf
 - Additional durability for U.S. elections
 - Improved components
 - Ease of Setup
 - Upgrades latches, straps, and wheel castors
 - New Color Scheme (Red White and Blue)
 - Optional Extended Shelf

**Benefit:
Latest and Greatest**

- Best Warranty in the industry
 - For 3 years we will “swap out” any booths no questions asked (except deliberate damage)
 - Service at National Distribution Center in Virginia
 - Harp Enterprises is also known for unmatched customer service and responsiveness

Benefit:
Warranty and Service

- Booth stores in a fraction of the space of other booth styles
- Packs into a very small footprint (roughly the same as for a single booth)
- So small one can fit in the back of a car
- Saves warehouse and storage costs/space

Benefit:
Storage and Delivery:
Part 1

Dozens or hundreds of booths can be stored in a small area

50 booths – or 200 voting stations fits in a surprisingly small area

Westchester County, New York stores 837 booths or over 3,330 stations in a limited warehouse area

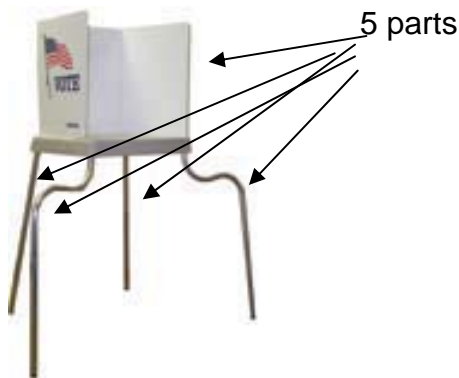

- Easily Setup
- Setup is in a matter of minutes and possible for even the oldest pollworkers
- Setup is intuitive – but Flyer and Video available

Cape Girardeau, Missouri sets up their 75 booths

Single Booths

- With single booths, legs fall out, or can get misplaced
- Pollworkers and staff frustrated at lost parts
- Different configurations for “regular” and “handicapped” booths
- To create 40 voter stations, you would need 40 booths, each one with five separate pieces (1 table, 4 legs): 200 pieces total

PakFlatt Franklin

- Booths are all single integrated unit
- No pieces to lose
- No more aggravated pollworkers or warehouse staff
- To create 40 voter stations, you would need 10 booths: 10 pieces total!
- 1/20th the total number of parts

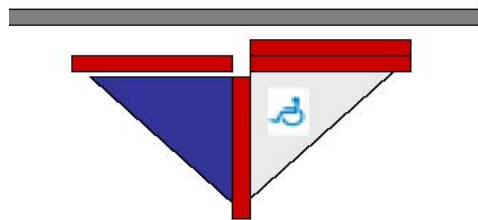

**Benefit: One Piece
Construction**

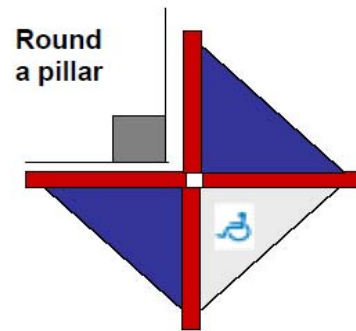

- Precincts in Kentucky are configured differently
- But booth can be set up as 4 station, 3 station, or 2 station booth

Set-up

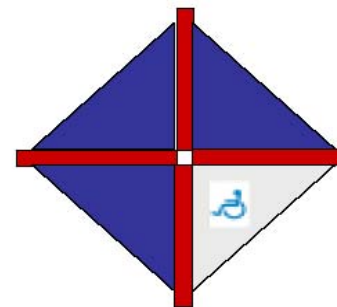

Against a wall

Round a pillar

The booth can be set up in any of the three configurations depending on the space available at the precinct

Free standing

Benefit: Flexibility at Polling Place

Harp Has Developed the “Kentucky Special” Franklin Booth With Upgraded Features

- extended shelf for longer ballots
- custom county or state logo on all booths

**Optional Accessories:
Customization**

- Curtain System seamlessly integrates with booth
- Optional Accessory – about 35% of customers add curtains

**Optional Accessories:
Curtains**

- Lights clip onto booth
- Dustcover protects booth during storage and delivery
- Version with Extended Shelf also available

**Optional Accessories:
Dust Covers and Lights**

- Thousands of Units in Place Nationally in 31 states
- Positive feedback from voters, pollworkers, advocates and election officials
- Consistent feedback that it's the best booth that election officials have ever had

Proven Success
