

Totem Display System

Test it Out – On Us! ... No Obligation

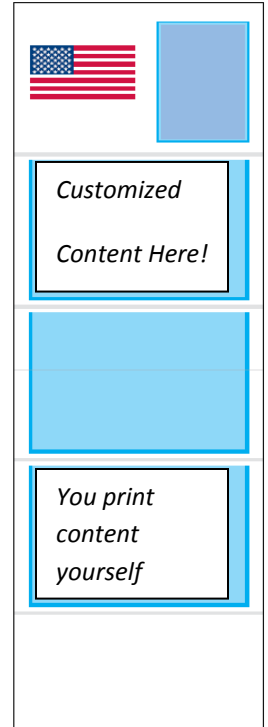

The totem changes election signage forever!

Are you tired of posting election signage, voter bills of rights, sample ballots, and voting machine instructions?

The totem provides a uniform sign mounting system for all of your election signage needs inside of the precinct.

It folds up to very small (16" L x 25 W x 1" Thick) to fit in your precinct supply kit and "pops up" to over 6 feet tall

With the innovative "pocket" system, you can customize content and print it out yourself on standard paper and change it as needed.

Now You Can Try it In Your Office for No Charge:

- Complete this form and fax back to 847-869-2515
- We'll send you a sample of the totem to try in the privacy of your office.
 - If you don't like the totem, just put the attached labels on the box and ship it back to Inclusion Solutions – **we even pay return shipping – it's truly no risk.**
 - If you like the totem and decide to keep it, the included "provisional invoice" becomes the final bill
 - If you love the totem, call us at 847-869-2500 for a full quote
