

Pakflatt® Franklin® Voting Booth

The best solution for every election

America's #1 Voting Booth

is the unique Pakflatt® Franklin® Voting Booth — exclusive to Inclusion Solutions.

It is a four-compartment booth — it alternatively can be set up as a two or three-person booth to suit the available space in a variety of polling places.

The booth is universally designed with three standing height shelves and one lowered shelf to accommodate all voters — with and without disabilities.

Pakflatt® Franklin® Voting Booth

Key Features:

Accessible

- Universal design: all voters — with and without disabilities — vote at the same booth
- Booth meets all ADA and ADAAG standards for width, approach and clearance, and includes one lowered station
- Custom configurations available

Simple Storage and Setup

- No pieces to lose — all booths are self-contained
- Durable, easy to set up: one-piece construction (legs collapse inside booth)
- Packs small for storage — requires only 30% of the space of other booth types

Efficient

- Reduce lines with ultra-efficient 4-station design
- Can be set up as 2, 3 or 4 station booths depending on precinct configuration

Proven Successful Solution

- Over 25,000 booths (100,000 voting stations) in use in 48 states and counting
- Consistent response from election officials, voters and poll workers that the Franklin is the best booth they have ever used

Durable

- Automotive grade aluminum makes it the most indestructible booth on the market
- Shelf supports over 200 lbs.

Assembled dimensions

- 61" to frame top
- 37.5" to standard writing shelf
- 30" to seated/accessible shelf
- 32" between outside legs
- 20.5" shelf depth
